

# ACTION Convergence Research Cruise 2026

Kay McMonigal, [ktmcmmonigal@alaska.edu](mailto:ktmcmmonigal@alaska.edu)  
Chris Maio, [cvmaio@alaska.edu](mailto:cvmaio@alaska.edu)

## Goals:

1. **Enhance communication** – science party about half coastal community members including repeat participants from 2025
2. **Advance applied science** – redeploy moorings and buoys in Northern Bering Sea
3. **Build technical capacity** – build on skills learned during 2025 cruise

Likely September on Norseman II, about 5 days, Nome to Nome  
**Quick** opportunistic sampling very possible
